Co-founder and President Zinnia Technologies

(www.zinniatv.com)

Evan at 48, 1 year into bvFTD diagnosis

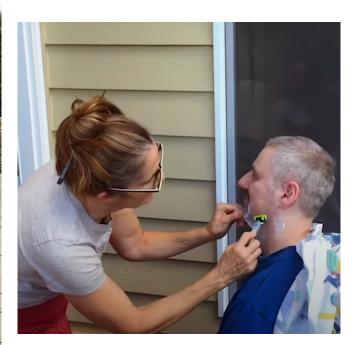

The endless quest for a better way

Connected problems I was trying to solve

- Communications
 are challenging
- Magazines, photos, videos help
- TV is problematic
- Agitated, asleep, lost
- 'Regular TV' doesn't work for changing brains
- Met Frank Lee at Apple

Zinnia TV

- Vivid visuals. Music & sound effects. Little dialogue.
- Slower pace; plot free
- Promote reminiscence & conversation; a connection tool
- Streaming service easily accessed via web, tablets and smart TVs

Zinnia videos help dementia caregivers
